Before you ask, here are the answers you might seek

- ✔ **Do you provide all services by yourself?**
Although I would love to be a superwoman, for now I work with the help of my small team - a writer, graphic designer and proofreader as I am not native English speaker. Every piece of work is supervised by me and can't get out of the office without my stamp of approval on it.
- ✔ **What tools do you use?**
My best friends are WordPress, SEMrush, Google Keyword Planner, Trello, Slack, Grammarly and Toggli
- ✔ **How do I know how much I pay?**
Together, with an invoice, you are provided a detailed report of work I have done for you.
- ✔ **Are you a registered company?**
I have a freelance business license registered in Slovakia.
